Most of the guests would not hesitate to explore Sunny Beach by themselves. They are independent people, who would like to visit different places, venues and attractions during their stay. Here is what they say on "TripAdvisor" for us:

"You don't know what you are missing a hidden gem in Sunny beach, from the staff to the guest you will love every moment we did that much we are booking for 2021 lol..."

Our family of 3 stayed here again in the beginning of September 2019 and we had a wonderful time. Weather was sunny, but not too hot. The complex is spotlessly clean and the pool area is being washed every evening. Apartments are spacious and convenient, The beach and the strip are about 5 min walk away from the hotel. We enjoyed the bakery very much. The supermarket was convenient. All in all a great holiday. We will be coming back.

We went to travel agent for a late deal, she offered us TSB sunny victory for a great price. We felt a little wary as we have never been to Bulgaria before. We really enjoyed sunny beach, I can't actually think of anything we didn't enjoy. Apartments was comfortable, basic but clean and had everything you wanted. Staff was friendly. Pool a good size, never a issue to get a sun bed around the pool at anytime of the day. Beach was really nice 13 lev for sunbed. Apartment is few minutes walk to the beach, not far at all.

Would definitely return!
