

FACT SHEET SEASON 2019

General Facilities & Services

Situated above one of the most beautiful Black Sea bays, among picturesque coastal hills, with fabulous views of the endless waters of the Black Sea - **holiday complex Topola Skies** is a dream location for a relaxing family vacation.

Topola Skies is situated in one of the most picturesque places on our Black Sea coast, about 60 km north of Varna and about 17 km south of cape Kaliakra. Nearby are the three greatest golf courses in Bulgaria, as well as bay “Bolata” which falls in the ranking of, “The most beautiful bays in the world”.

Topola Skies combines luxury and nature. The complex offers spacious and fully furnished apartments and hotel rooms. The guests have at their disposal three heated pools, Wellness and Relaxation Centre and unique DREAM SPA center, recreating an authentic Bulgarian atmosphere.

Action park

The Action park is entertainment and extreme activities ropes park with two levels of difficulty. The action park is equipped with two climbing walls with 8 meters height

Level 1

Level one rope route consists of 10 hurdles, directed for kids above 8 years of age. This route is advised for all beginner levels. The end of this level is zip lining from 2.50 meters height.

Level 2

Level two rope route consists of 11 hurdles, directed for kids above 12 years of age. This route is slightly harder and it requires certain physical form and techniques. The height is a major factor, in this second level, because the participants are at 5 meters altitude.
