

Dear Partners,

Despite the dynamic changes and challenges for the business, DAFNA-DK does not stop its development and investments in order to provide a better and more attractive hotel product.

For summer 2022 at the Nobel Hotel, the last cycle of the large-scale renovation that has begun has been completed and the new 5-star hotel categorization is a fact, in order to provide a high-level tourism product and impeccable service for S2023. New procedures, systems and technologies are also to be implemented at all levels, through which the hotel will provide a high level of convenience and comfort for its guests.

- Accommodation

For S2023 Nobel Hotel will charm its guests with interior changes that will add luxury and modern style to the hotel rooms and equipped with everything needed for making coffee and tea, bottled water. All rooms will be equipped with "Magniflex" 28 cm memory foam mattresses of varying firmness for guests' complete comfort. There will be a complete replacement of towels and bed linen; different types of pillows, both in size and composition.

Modern digital IP television with channels in all languages.

- Food & Beverages Ultra All Inclusive

- The seating area in the Nobel's main restaurant will be expanded, contributing to maximum comfort and convenience during meals. The quality and range of food and beverages will meet all the requirements for a 5 star holiday.
- Interior changes in the main restaurant of Hotel Nobel and the summer terrace
- A complete renovation of the kitchen area has been already made for S22, including new kitchen equipment.
