Introducing our garden, where in addition to the pool with comfortable sun beds, we will take care of the relaxation and entertainment of our guests in the animated "event ring".

The "event ring" is a place for entertainment for young and old - animation for children, theme nights and shows. Animators entertain the youngest guests with interesting, creative and entertaining games. And for the older ones we have thought with an outside bar for more entertaining evening shows.

Relaxation, sport and mood is also created by the outdoor swimming pool and our fitness room which beautifully complements a relaxing holiday.
