RESORT

NESSEBAR, BULGARIA

THE UNIQUE WATER EXPERIENCE

Aqua Paradise Resort is an exclusive hotel complex with multifunctional infrastructure offering a wide range of tourist and business services, recreation, living and variety of attractions. Part of it is the largest waterpark on the Balkans - Aqua Paradise-Nessebar.

The architectural idea of Aqua Paradise Resort is defined by the three-spoke volume of the main hotel body with a strong vertical centre - atrium space.

The three drops of our logo represent

the water and the trinity as a trademark of Aqua Paradise Resort. The other main symbol of uniqueness and Bulgarian tradition is the stylized embroidery or the so called "shevitsa" from the town of Samokov, which is engraved on the decorative facade panels. In the modern interpretation of this Bulgarian symbol are preserved the main elements that represent the sun, home, family, nation, love. They are all enclosed in a square that, according to an old Bulgarian tale, depicts the life cycle.
